What is SAP Learning Hub, student edition?

The student edition of the SAP Learning Hub site is a learning portal designed for university, college, or higher education organizations. The site gives access to a comprehensive range of learning content on SAP solutions. For a fixed subscription fee, universities can purchase access for their students. Through SAP Learning Hub, student edition, students can prepare for SAP certification exams and future employment.

With a wide range of high-quality content and optional live access to SAP training systems, students can learn when and where they choose. This edition is available for the public and private cloud, which allows for a high level of customizability.

Who can purchase SAP Learning Hub, student edition?

Subscriptions can be purchased by any university, college, or higher education organization. Students cannot purchase an individual subscription to SAP Learning Hub, student edition, directly from SAP.

As a student, how can I get access to SAP Learning Hub, student edition?

If you would like to access SAP Learning Hub, student edition, and your college or university is not a subscriber, contact your professor or course tutor and encourage them to sign up. Your institution can visit www.sap.com/learninghub or <https://training.sap.com/shop/content/sap-learning-hub-student-edition> to learn more about the site.

Students can access SAP Learning Hub, discovery edition, by visiting www.sapstore.com/solutions/HUB/SAP-Learning-Hub.

How can students benefit from a subscription to SAP Learning Hub, student edition?

SAP Learning Hub, student edition, provides a set of specific objectives in software training. Regardless of their academic discipline, students can take advantage of SAP software training to expand their skill sets and become well-rounded professionals. In addition to generating various learning outputs, the program facilitates early career development by helping learners prepare for SAP certification and forge professional relationships.

SAP Learning Hub, student edition, empowers students to actively work on their career in several ways:

- Participate in expert-led industry training
- Develop internationally recognized employment skills
- Network with peers and industry professionals
- Engage in flexible and collaborative learning
- Personalize their learning environment
- Study for certification in a variety of tracks

What are SAP Learning Rooms?

SAP Learning Rooms are a unique social learning feature of SAP Learning Hub. These interactive, 24x7 online platforms facilitate informal Q&A sessions and knowledge sharing. They also feature learning maps that help pinpoint the knowledge you need with topic-specific courses and e-books. Moderator-hosted live sessions, videos, quizzes, and blogs are integral to the learning room experience. Subscribers of SAP Learning Hub, student edition, can access a steadily growing number of SAP Learning Rooms across a wide range of topics. For general support questions, students are encouraged to join the **Welcome Room** and ask there. The **Student Corner** serves as an exclusive learning room for students to discuss academic and professional issues while learning more about what certifications they can study for.

What kind of reporting and learning management capabilities are included?

SAP Learning Hub, student edition, brings a powerful set of learning management capabilities for creating, managing, and assigning educational content and reporting learning performance. With a series of useful reports, you can gain insights into, for example, learning initiatives, progress, and learning history. Intuitive self-service tools allow you to access numerous preconfigured reports. It is also possible to create custom reports and track progress for assigned learning plans.

Is the SAP Live Access environment included?

On-demand access to live SAP training systems is optional and available as an additional purchase through the SAP Live Access portal.

What is the subscription fee for SAP Learning Hub, student edition?

Priced at a lower rate than standard industry pricing, institutional subscriptions enable students to access a high level of instruction at a considerably reduced cost. For more information, contact your SAP sales executive.

How does the student edition of SAP Learning help graduates gain a competitive advantage?

SAP solution skill sets are in high demand across numerous industry sectors. A strong foundation in SAP software can facilitate career advancement and flexibility.

SAP Learning Hub, student edition, equips graduates with the skills and versatility they need to succeed in the international job market. Graduates can prepare themselves for roles at SAP, within our extensive partner network, or in the thousands of companies running SAP solutions.

What do I get when I subscribe to SAP Learning Hub, student edition?

With an annual subscription, students have 12 months of unlimited access to more than 2,000 course titles in a variety of languages. Courses cover the latest SAP solutions and technology such as the SAP HANA® platform, SAP S/4HANA®, and a host of other cloud-based, mobile-based, or enterprise resource planning—based solutions from SAP. All learning material is updated on an ongoing basis. With more than 1,300 e-learning titles and more than 600 course e-books including assessments, demos, and exercises, SAP Learning Hub, student edition, offers opportunities for continuous learning – anytime, anywhere, and at a budget-friendly cost.

What else should I know about SAP Learning Hub, student edition?

By subscribing to SAP Learning Hub, student edition, students can follow an independent, job-oriented learning program and assume responsibility for their specific learning schedule and needs. This helps promote learner autonomy and reinforce an ethic for continuous learning within the student population.
